

LIMERICS ABOUT POLAND.... 3A...

ONCE UPON A TIME IN LESSER POLAND
THERE LIVED A GUY CALLED ROLLAND
HE HIKED IN TATRA MOUNTAINS
BUT FOUND THERE NO FOUNTAINS
AND DEVASTATED, HE MOVED TO SILESIA LOWLAND

**IN THE MOUNTAINS NATURE IS THE BEST
WHISPERING WINDS, SECRETS ON THE CHEST
SNOWING PEAKS SOARING SO HIGH
THE PEACE ALWAYS NEAR THE SKY
BIRDS BUILD THEIR NESTS WHERE THEY CAN REST**

BALTIC SEASIDE IS A BEAUTIFUL SIGHT
IT IS AMAZING FOR THE SORE EYE
IT IS A PLACE OF DUNES
BUT THERE ARE NOT MANY LAGOONS
BE AWARE OF THE SAND WHICH CAN GET IN YOUR
EYES

SILESIA HIGHLAND IS THE BEST
LET'S FORGET ABOUT THE REST
GREATER POLAND SEEMS ALL RIGHT
BUT OUR MOUNTAINS WON THE FIGHT
POLISH AIR FILLS MY CHEST

**IN THE BALTIC SEA WAVES CRASH AND ROAR
SANDY BEACHES I SIMPLY ADORE
WITH SEAGULS IN FLIGHT
AND SHIPS SHINING SO BRIGHT
IT'S A COASTAL PARADISE TO EXPLORE**

ONCE UPON A TIME
MARTYNA FOUND A MONOKLINE
THEN SHE SAW A DEPRESSION
AND IT MADE ON HER GOOD IMPRESSION
WE MADE A FANTASTIC RHYME

WHEN I VISITED SALT INTRUSION
I WAS IN INCREDIBLE CONFUSION
BECAUSE THE KARPATY DEPRESSION
WAS MY FATHER'S OBSESSION
OR WAS IT ALL DELUSION?
